THE FLOWER PAD FROM KNAUDER'S BEST

New! The unique searching toy for large dogs and dogs with a broad muzzle.
High-quality, innovative and especially tuned to the needs of your pets – that's what characterises the original products from KNAUDER'S BEST. Even big dogs and dogs with a broad muzzle love searching for treats with you. With the new Flower Pad, there's nothing stopping you from getting busy with this communal activity any more. Crafty, lovingly incorporated hiding places with large enough openings that are also suitable for a broad muzzle, offer an opportunity for lots of wonderful moments of success and endless sniffing fun. Through the mutual activity, your relationship with your dog is encouraged in a playful manner at the same time, and you learn to understand him better, he becomes more trusting and the bond between you is strengthened. The species-appropriate occupation and the sense of release that results, make the Flower Pad a fantastic way of keeping your furry friend busy in between. You'll love it just as much as your dog does!
