THE SNIFFPAD MINI FROM KNAUDER'S BEST

A must-have for dogs – and rodents and other pets too!

Endless fun and learning pleasure for small dogs, birds and rodents. The sniffpad mini is a high-quality handmade developmental toy. The numerous pockets and lovingly incorporated hiding places provide endless opportunities for you to hide treats from your pet and guarantee hours of searching fun. Like all of our scenting products, the sniffpad mini is made of thick, fluffy, low-maintenance fleece material that small dogs will love – and it keeps other pets wonderfully busy and challenged, too. Just 7-10 minutes of play are enough to relax your little darling. The time and attention you share with them will strengthen the bond of friendship between you. All of our product innovations at KNAUDER'S BEST are carefully executed high-quality toys tailored to the needs of your pet, and are explicitly recommended by experts.
